

L-212

Rabbit Control Systems
Automation & Control Engineering

Description

The L-212 series provides high- performance weighing in the toughest environments. It is designed specifically for use in the food processing and chemical industrials.

The L-212 series incorporates high accuracy load-cells for optimum performance and protection in harsh environments.

Specification

Model	Size (mm x mm)	Capacity (kg)
L-212 Series	300 x 300	3, 5, 8, 10, 15, 20, 30, 50, 60, 75, 80, 100, 150, 200, 300
	400 x 400	50, 60, 80, 100, 150, 200, 300
	500 x 500	50, 100, 150, 200, 250, 300, 500, 600
	600 x 600	50, 100, 150, 200, 250, 300, 500, 600
	700 x 700	50, 100, 150, 200, 250, 300, 500, 600, 750, 1000, 2000
	800 x 800	50, 100, 150, 200, 250, 300, 500, 600, 750, 1000, 2000
	300 x 400	3, 5, 8, 10, 15, 20, 30, 50, 60, 75, 80, 100, 150, 200, 300
	350 x 450	50, 60, 80, 100, 150, 200, 300
	400 x 500	50, 60, 80, 100, 150, 200, 300
	450 x 600	50, 60, 80, 100, 150, 200, 300
	500 x 600	50, 100, 150, 200, 250, 300, 500, 600
	500 x 700	50, 100, 150, 200, 250, 300, 500, 600, 750, 1000, 2000
	600 x 800	50, 100, 150, 200, 250, 300, 500, 600, 750, 1000, 2000
